

NOTICE TO PROPERTY OWNERS

[Insert Mailing Date]

Dear Property Owner:

As the recorded owner or agent of property within 600 feet of the subject parcel, you are invited to attend a public hearing to provide input on:

Case No STV-Z-0005-26: A request to rezone approximately 27.74 gross acres—comprising approx. 18.43 gross acres of Multi-Family Residential Planned Area Development (MR PAD, County) / Multi-Family Residential (R-5, Town) and 9.32 gross acres of Community Commercial (C-2 PAD, County)/ Community Commercial (C-2, Town)—to General Commercial District (C-3, Town) to facilitate a large-scale commercial retail use. The subject site (APN 210-18-2260) is located south of the southeast corner of Hunt Highway and Stone Creek Drive and is described as a portion of Lot 1 and the Northeast Quarter of the Northwest Quarter of Section 18, Township 3 South, Range 8 East. Applicant: Brennan Ray, Ray Law Firm (representing property owner WNGD, LLC).

This item has been scheduled for a public hearing before the Town of San Tan Valley Planning and Zoning Commission on **Monday, September 28, 2026 at 2:00 p.m.** at the San Tan Valley County Complex, Building A, Bronze Room, 31505 North Schnepf Rd, San Tan Valley, Arizona 85143.

As an alternative to attending the meeting in-person, public comments in writing may be submitted no later than 5 p.m. the day prior to the meeting by emailing arminda.leighpatze@santanvalley.gov. Written comments may also be mailed or dropped off at the Town of San Tan Valley administrative office located at 31505 North Schnepf Road, Suite 101, San Tan Valley, Arizona 85143, Monday through Friday from 8 a.m. to 5 p.m.

Further information regarding this request is also available for examination in the Town of San Tan Valley Community Development Office by calling (623) 462-5330 for an appointment.

Sincerely,

Gilbert Olgin

I. Introduction

Diversified Partners (“Diversified”) is the proposed developer of approximately 26.22 gross (25.36+/- net) acres south of the southeast corner of Hunt Highway and Stone Creek Drive (the “Site”). Diversified anticipates developing this Site with a commercial development that will be a viable and sustainable use and will add much needed commercial services to the area. The proposed development aligns with good planning principles for coordinated physical development that meets present and future needs while ensuring efficient use of public resources. Diversified’s plans introducing a commercial use that does not presently exist in San Tan Valley, an area experiencing significant population growth. To facilitate this development, Diversified requests a rezoning from MR and C-2 (in Pinal County) to C-3 in the Town.

A center of this size will anchor this stretch of Hunt Highway, generate sales and property tax revenue for the Town, add jobs, and fund frontage, signal, and utility improvements at the developer's cost. Further, a commercial development of this scale serves as a transformative anchor for the corridor, driving substantial fiscal growth, infrastructure modernization, and long-term community benefits that far outweigh its physical footprint.

II. Existing Zoning and Relationship to Surrounding Properties

The Site is vacant land that was zoned for high density multi-family and commercial uses in Pinal County. The MR zoning was approved for a build-to-rent residential project (approx. 18.43 gross ac.) with a small commercial parcel (approx. 9.32 ac.) acres along Hunt Highway. That development did not proceed because of changes in the market. The property to the west is a fully developed commercial shopping center with uses complementary to the proposed center. To the north and east, across Hunt Highway, is vacant Arizona State Land Department property that is currently farmed. It is zoned L-MPC and planned for an approximately 314-acre development plan area within a 3,200-acre master planned community that will include commercial, office, and a variety of residential uses. The properties to the south are part of the Solera single family residential community. Surrounding zoning and uses are listed below.

	Existing Zoning	Existing/Proposed Use
North / East	L-MPC (Pinal County)	Vacant / Commercial, Office, Residential Homes
South	CR-3, SR, CR-4 (Pinal County)	Residential Homes
West	CB-2 (Pinal County)	Commercial development

III. Rezoning Request

Diversified requests a rezoning from MR and C-2 in Pinal County to C-3 in the Town. The San Tan Valley area has recently experienced significant growth. Per Pinal County’s website, the County’s population has grown approximately 23.5% since 2010. To keep up with the increased population, additional commercial developments are needed. The development revitalizes an underutilized site, generating substantial local sales and property tax revenues that directly support local public services and infrastructure without burdening Town resources.

IV. Access

Four ingress and egress points will serve the Site, three on Hunt Highway and one connecting to the commercial development to the west. The conceptual site plan shows three driveways on Hunt Highway and a cross-access connection to the commercial center to the west. The cross-access connection provides connectivity to the existing commercial development northwest of the Site, reducing the need for vehicles to use Hunt Highway. Final access locations, turn lanes, and signal warrants will be determined through a Traffic Impact Study in coordination with Town staff. Diversified anticipates that the study will address the need for a traffic signal at Hunt Highway and Stone Creek Drive, deceleration lanes, and restricted-movement access at the remaining driveways.

V. Neighborhood Outreach

A neighborhood meeting on August 13, 2026 at the San Tan Valley Library. Notice was mailed to property owners within 600 feet of the Site. Forty-four (44) residents attended. A Citizen Participation Report was submitted under a separate cover.

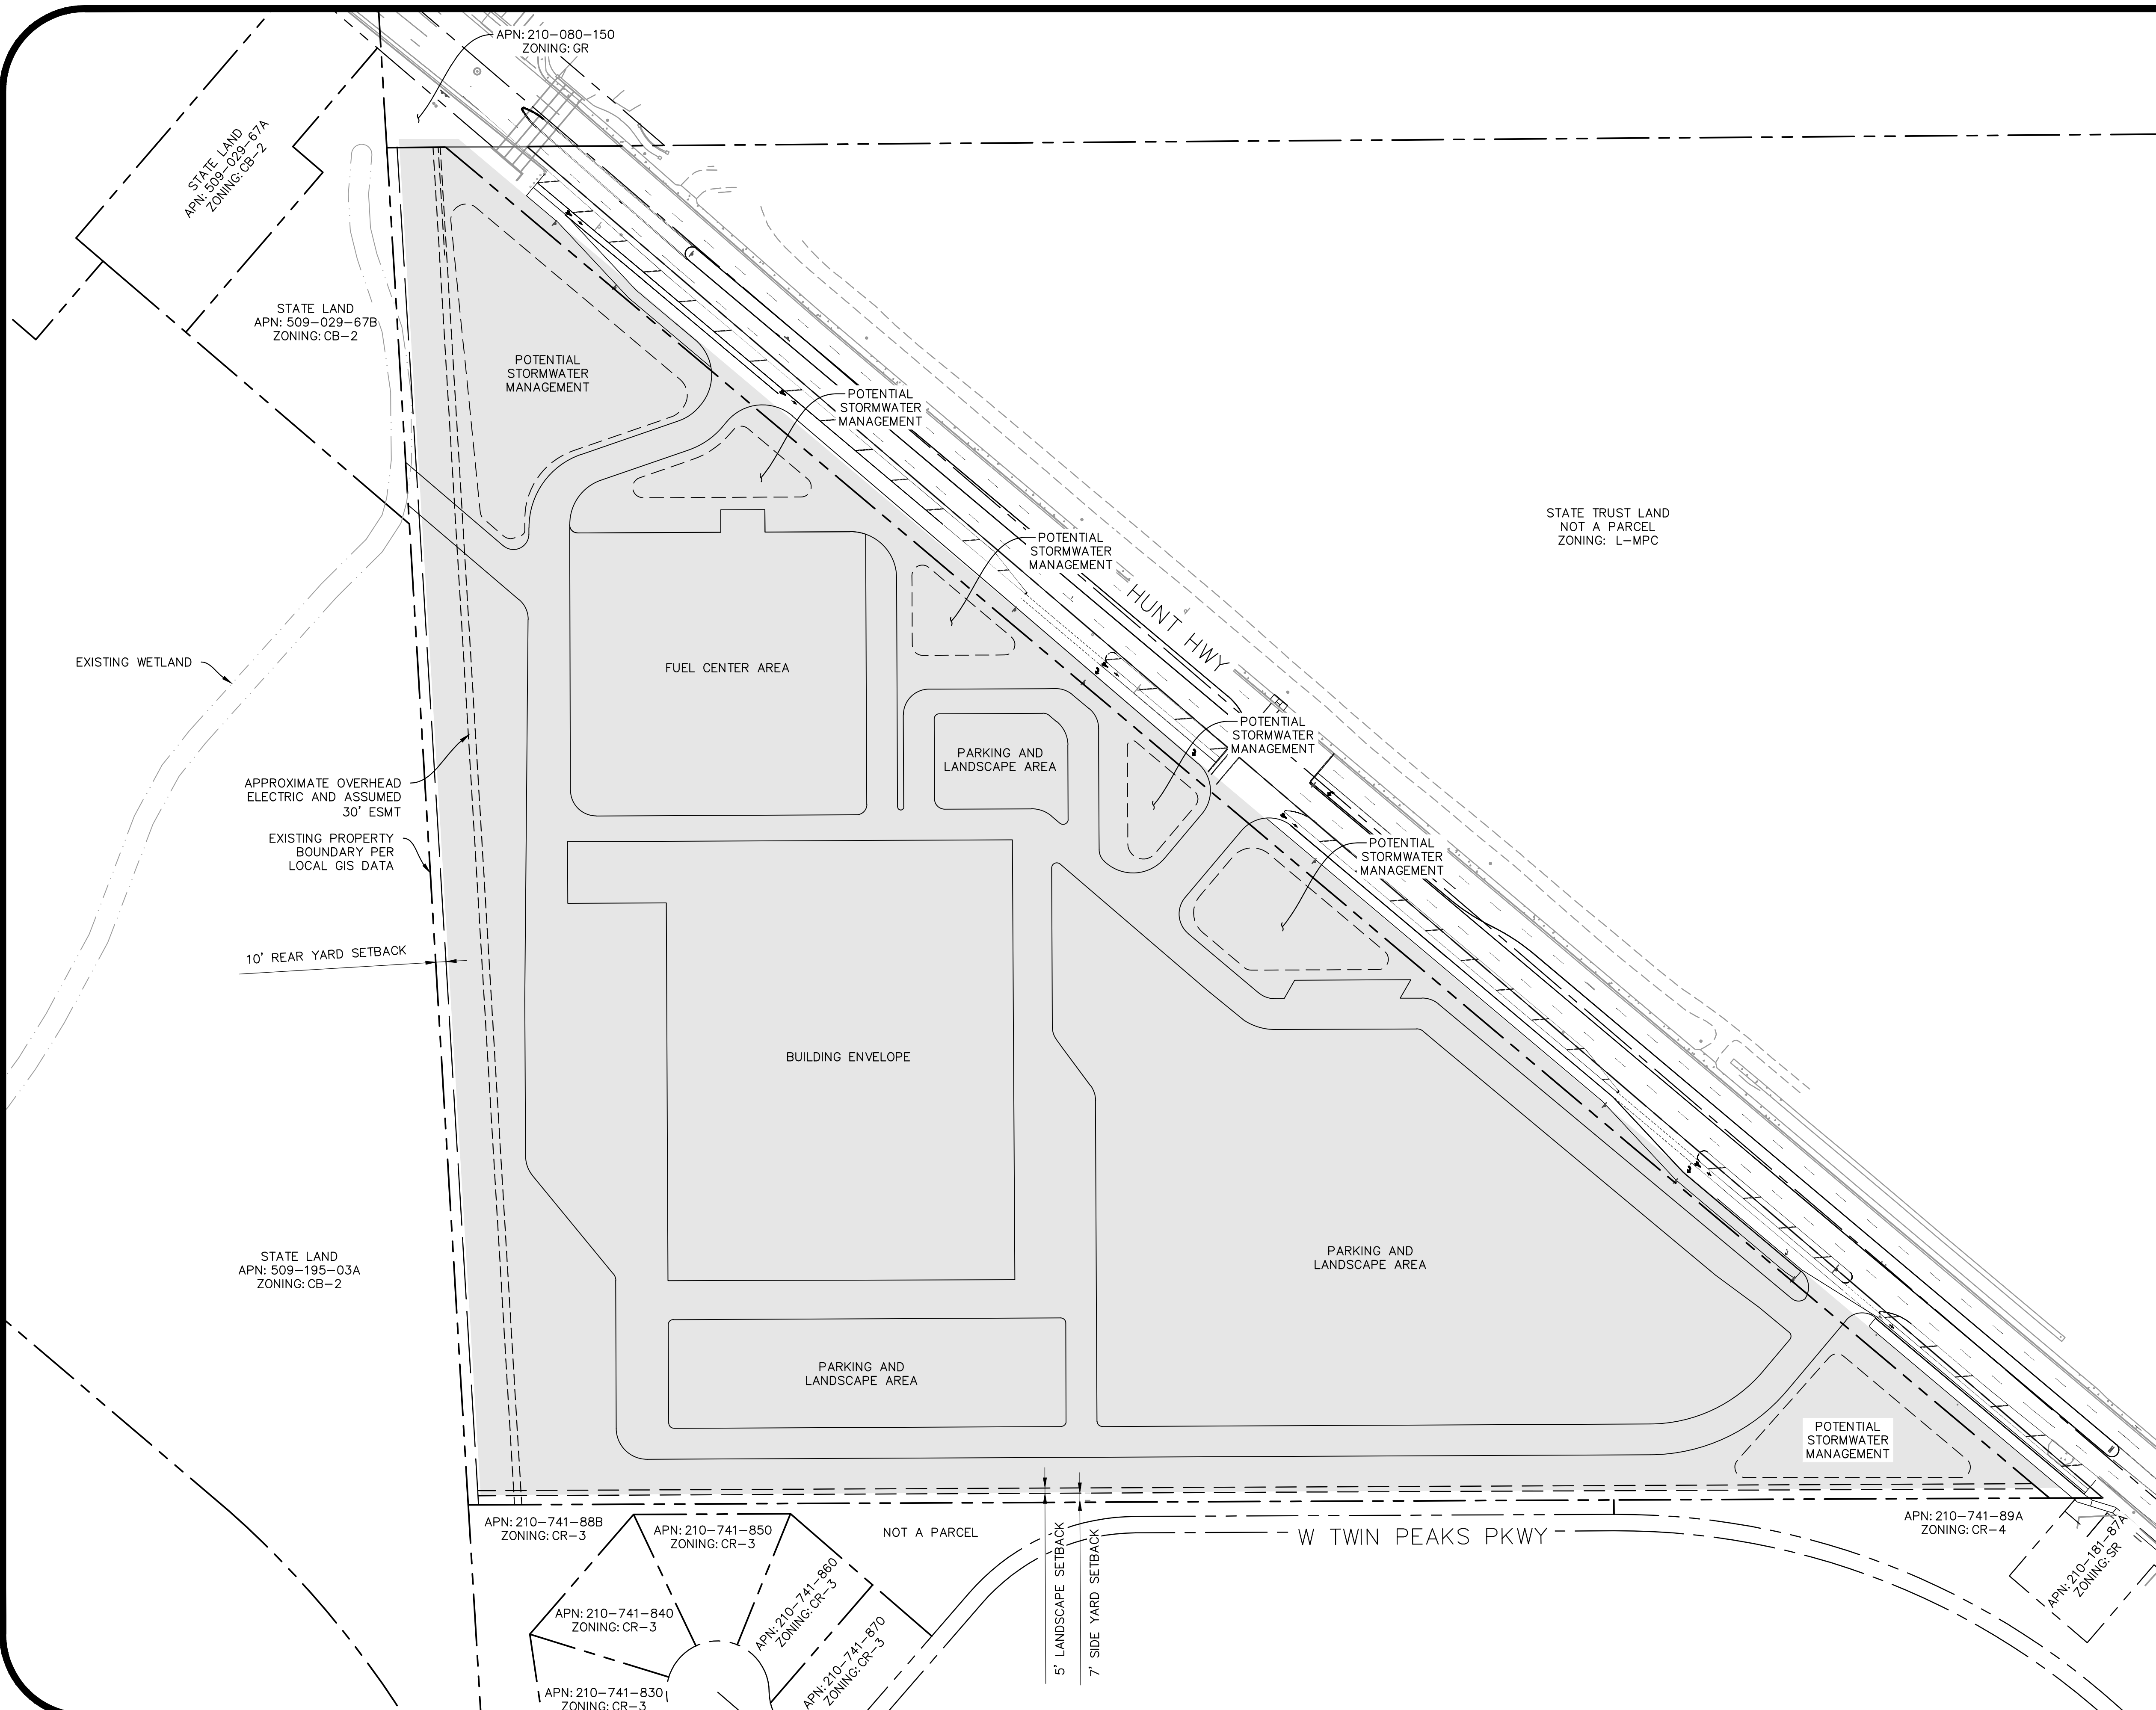

VI. Utilities

EPCOR Water Arizona is the water and wastewater provider for the Site. Diversified has been coordinating with EPCOR on service and will obtain a will-serve letter confirming that EPCOR has capacity to serve the proposed center. The proposed center is expected to use approximately 8 acre-feet of water per year. Landscaping will use low-water, desert-adapted plant material.

VII. Conclusion

This request proposes a thoughtful plan that will allow much-needed commercial development. This development will provide additional commercial services and employment opportunities within San Tan Valley. We request your approval.

- AREA -- BASED UPON MEASURED BEARINGS AND DISTANCES AS SHOWN ON HEREON, SAID LAND CONTAINS 1,143,371 SQ. FT., 26.25 ACRES (GROSS).
- TITLE SEARCH -- THIS SURVEY DOES NOT CONSTITUTE A TITLE SEARCH BY PBLA SURVEYING, INC. OR THE SURVEYOR TO DETERMINE OWNERSHIP OF THIS PROPERTY OR TO VERIFY THE DESCRIPTIONS PROVIDED. THE COMPATIBILITY OF THESE DESCRIPTIONS WITH THAT OF ADJACENT PROPERTIES; NOR EASEMENTS, RIGHTS-OF-WAY OR TITLE OF RECORD. PBLA SURVEYING, INC. RELIED UPON A COMMITMENT FOR TITLE INSURANCE, WITH A COMMITMENT NUMBER AZ262121, PREPARED BY FIDELITY NATIONAL TITLE COMPANY, DATED JUNE 12, 2026.
- OCCUPATION LINES, ENCROACHMENTS AND RECOVERED SURVEY MONUMENTS ARE SHOWN AS FOUND DURING A FIELD SURVEY PERFORMED UNDER MY DIRECT SUPERVISION DURING JUNE, 2026.
- PARCEL AREA SHOWN IS DETERMINED BASED UPON FIELD MEASUREMENTS MADE DURING A FIELD SURVEY PERFORMED IN JUNE, 2026.
- THE PROPERTY IS COINCIDENT WITH, AND HAS ACCESS TO HUNT HIGHWAY, BEING A PUBLICLY DEDICATED STREET.
- THERE IS NO EVIDENCE OF RECENT EARTH MOVING WORK, BUILDING DEMOLITION, OR BUILDING REMOVAL WITHIN RECENT MONTHS, OBSERVED IN THE PROCESS OF CONDUCTING THE FIELDWORK.
- THERE IS NO EVIDENCE OF RECENT STREET OR SIDEWALK CONSTRUCTION OR REPAIRS OBSERVED IN THE PROCESS OF CONDUCTING THE FIELDWORK.
- THE SURVEY OBSERVED NO EXISTING BUILDINGS OR PARKING SPACES
- THE PROPERTY HAS NO EXISTING ADDRESS, THE SITE IS LOCATED NEAR THE SOUTHEAST CORNER OF HUNT HIGHWAY AND STONE CREEK DRIVE, SAN TAN VALLEY, ARIZONA.
- THERE IS NO OBSERVABLE EVIDENCE OF SITE USE AS A SOLID WASTE DUMP, SUMP, SANITARY LANDFILL OR CEMETERY.
- NO EVIDENCE OF POTENTIAL WETLANDS WERE OBSERVED ON THE SUBJECT PROPERTY AT THE TIME THE SURVEY WAS CONDUCTED, NOR HAVE WE RECEIVED ANY DOCUMENTATION OF ANY WETLANDS BEING LOCATED ON THE SUBJECT PROPERTY.
- THERE ARE NO DISCREPANCIES BETWEEN THE BOUNDARY LINES SHOWN ON THIS SURVEY AND THE LEGAL DESCRIPTION CONTAINED IN THE TITLE COMMITMENT.
- THE BOUNDARY LINE DIMENSIONS AS SHOWN ON THE SURVEY MAP FORM A MATHEMATICALLY CLOSED FIGURE WITHIN +/- 0.1 FOOT.
- THERE IS NO OBSERVABLE EVIDENCE OF EASEMENT OR RIGHTS-OF-WAY ON OR ACROSS THE SURVEYED PROPERTY, OR ON ANY ADJOINING PROPERTIES IF THEY APPEAR TO AFFECT THE SUBJECT PROPERTY, EXCEPT AS OTHERWISE SHOWN HEREON.
- THE SUBJECT PROPERTY DOES NOT APPEAR TO SERVE ANY ADJOINING PROPERTY FOR DRAINAGE, UTILITIES, STRUCTURAL SUPPORT, INGRESS OR EGRESS.
- ALL LOTS ARE CONTIGUOUS AND THERE ARE NO GAPS AND GORES BETWEEN THE PARCELS.
- THE PROPERTY SHOWN HEREON IS IDENTICAL TO THE TITLE REPORT.

FLOOD ZONE

THE PROPERTY DESCRIBED ON THIS SURVEY LIES WITHIN ZONE "X" (UNSHADED) OF THE FLOOD INSURANCE RATE MAP IDENTIFIED AS MAP NO. 04021CD475E, BEARING AN EFFECTIVE DATE OF 12/4/2007.

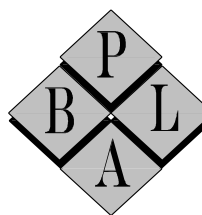

ZONE "X" (UNSHADED): AREAS DETERMINED TO BE OUTSIDE OF THE 0.2% ANNUAL CHANCE FLOODPLAIN.

Case Numbers: STV-Z-0005-26
Submitted: September 4, 2026

Citizen Participation Report – Diversified Partners, LLC South of the intersection of Hunt Highway and Stone Creek Drive, San Tan Valley, AZ

Overview:

This report provides results of citizen outreach efforts made on behalf of Diversified Partners, LLC (“Diversified Partners”) for the proposed commercial development located south of the intersection of Hunt Highway and Stone Creek Drive in San Tan Valley, AZ (the “Site”). Diversified Partners is requesting a Rezone for approximately 26.22 gross (25.36± net). The request seeks to rezone the Site from Multiple Residence (MR) and Community Commercial (C-2) to General Commercial Zoning (C-3) to allow for the development of a warehouse retail store with an ancillary fueling station.

Contact:

Brennan Ray

bray@raylawaz.com

Neighborhood Outreach (see attached):

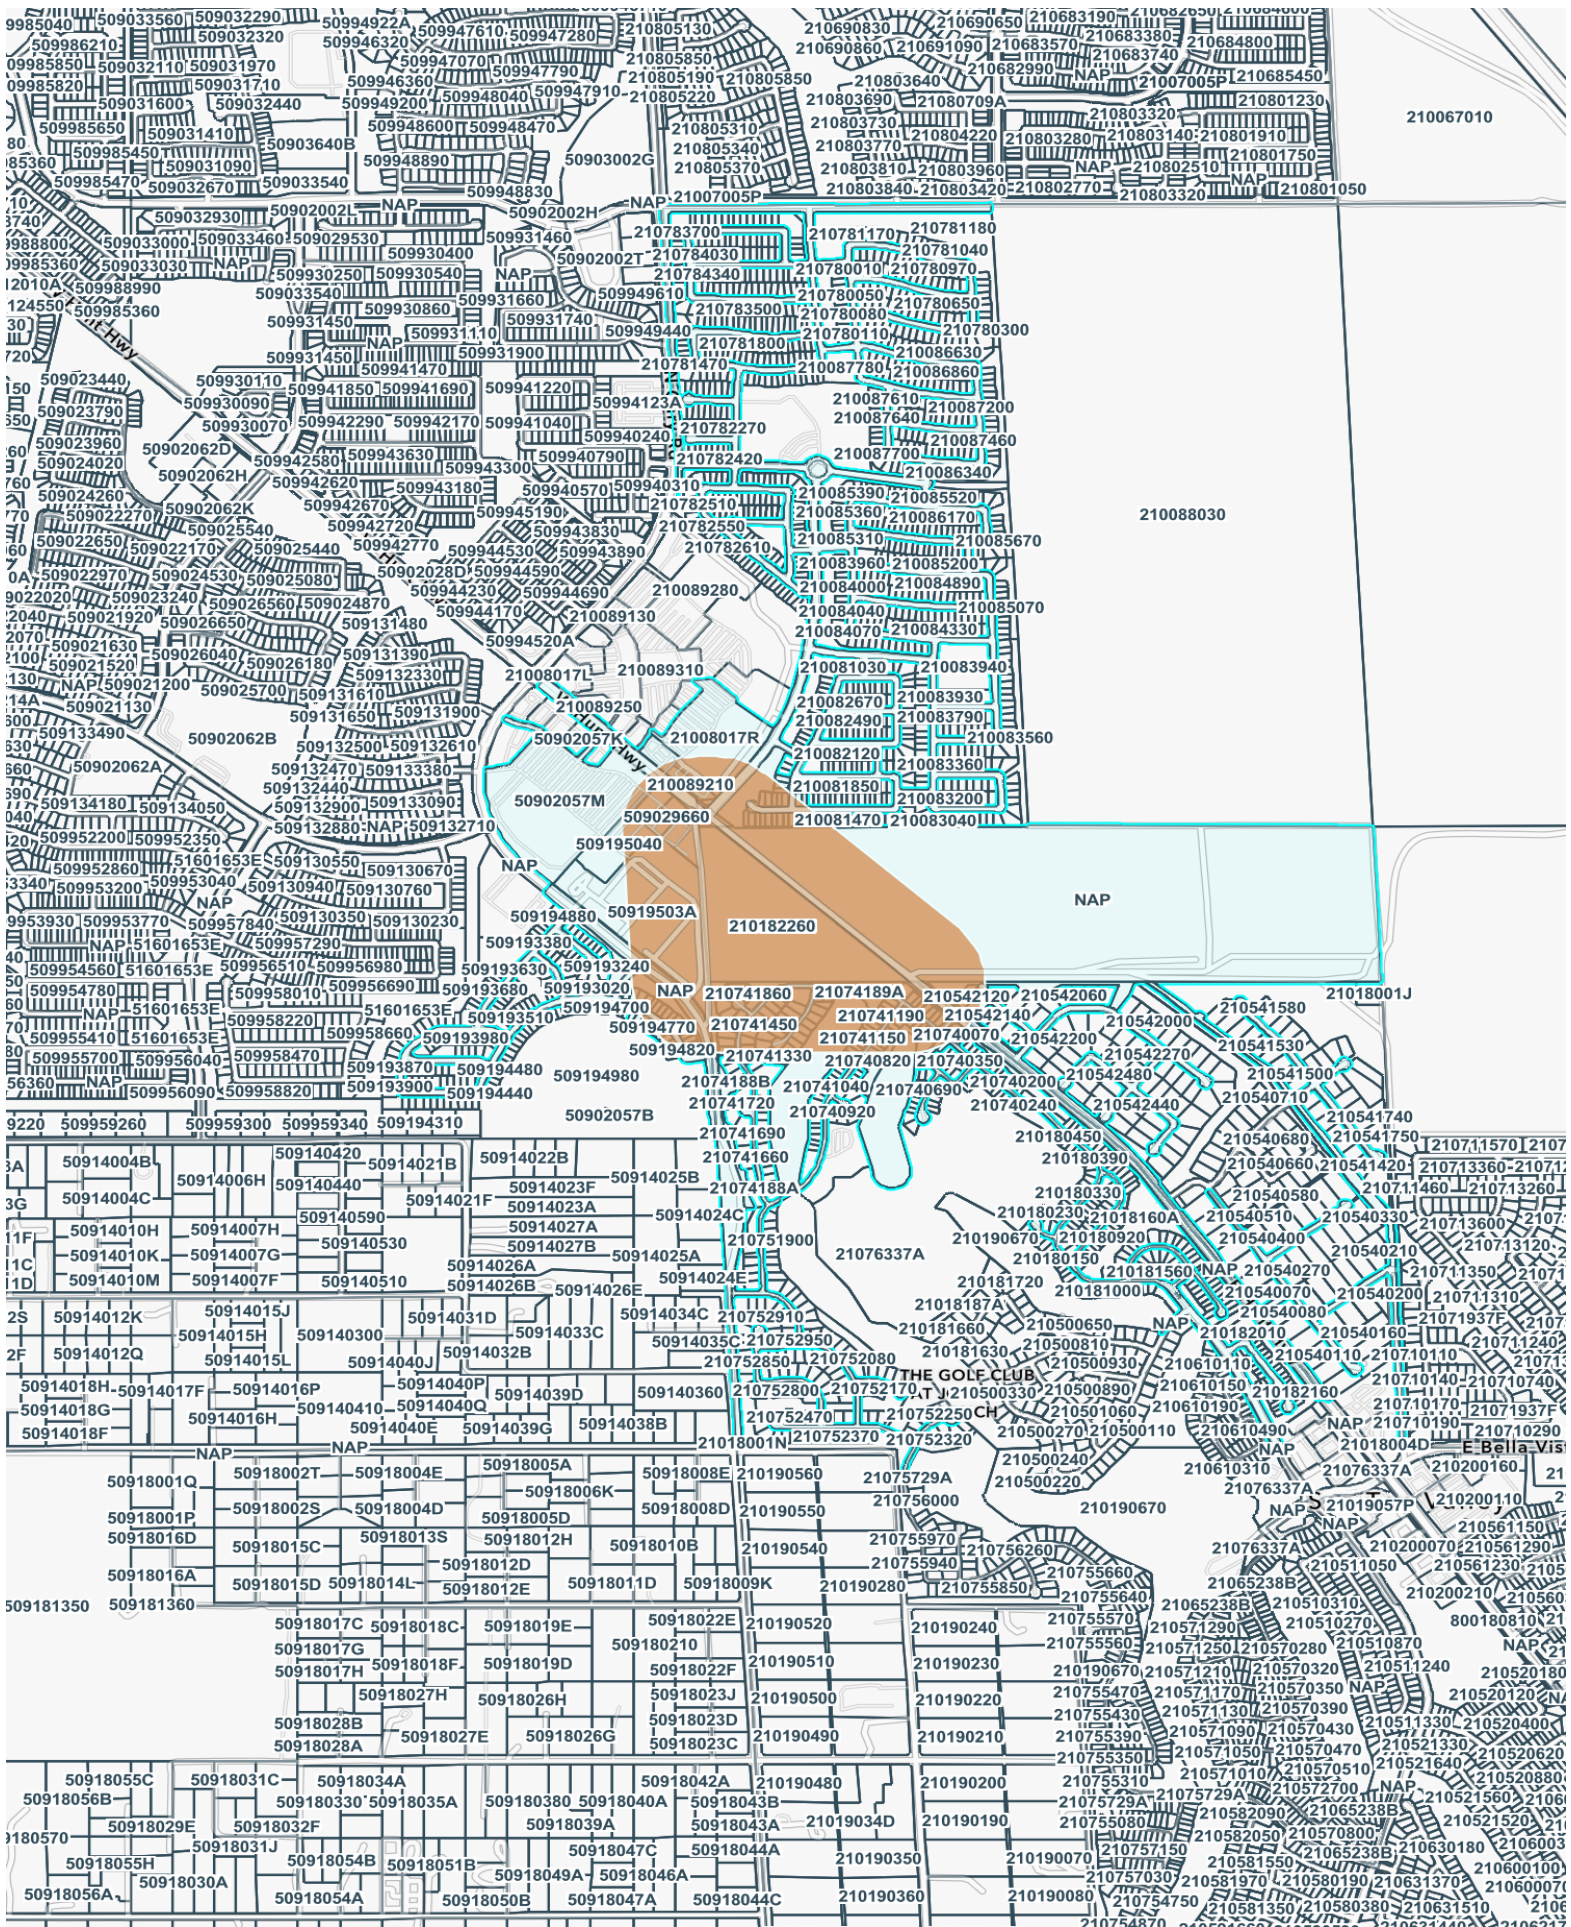

1. A neighborhood meeting notification was mailed to interested parties and owners within 600’ of the proposed development on July 29, 2026.
2. A neighborhood meeting was held August 13, 2026 at San Tan Valley Library.

Results:

138 neighborhood meeting notices were mailed to property owners within 600’ of the proposed development. **See Exhibit 1.** Forty-four (44) neighbors attended the neighborhood meeting. A summary of the neighborhood meeting is included with this report. **See Exhibit 2.** Prior to the meeting, fifteen (15) emails were received, with most complaints regarding the timing of the meeting. Other concerns included traffic, noise, privacy, lighting, and other site-related issues. **See Exhibit 3.**

As of the writing of this report there has been no additional feedback from neighbors.

RE: Proposed Development – Hunt Highway and Stone Creek Drive
August 13, 2026, Neighborhood Meeting

Dear Property Owner or Neighborhood Association Representative:

The purpose of this letter is to inform you that Diversified Partners, LLC (“Diversified Partners”) is requesting a Rezone for approximately 26.22 gross (25.36± net) located south of the intersection of Hunt Highway and Stone Creek Drive (the “Site”). The request seeks to rezone the Site from Multiple Residence (MR) and Community Commercial (C-2) to General Commercial Zoning (C-3) to allow for the development of a warehouse retail store with an ancillary fueling station. A vicinity map and proposed site plan are included.

A neighborhood meeting will be held at the time and place listed below to discuss the proposed development and to answer questions you may have. The neighborhood meeting will be held:

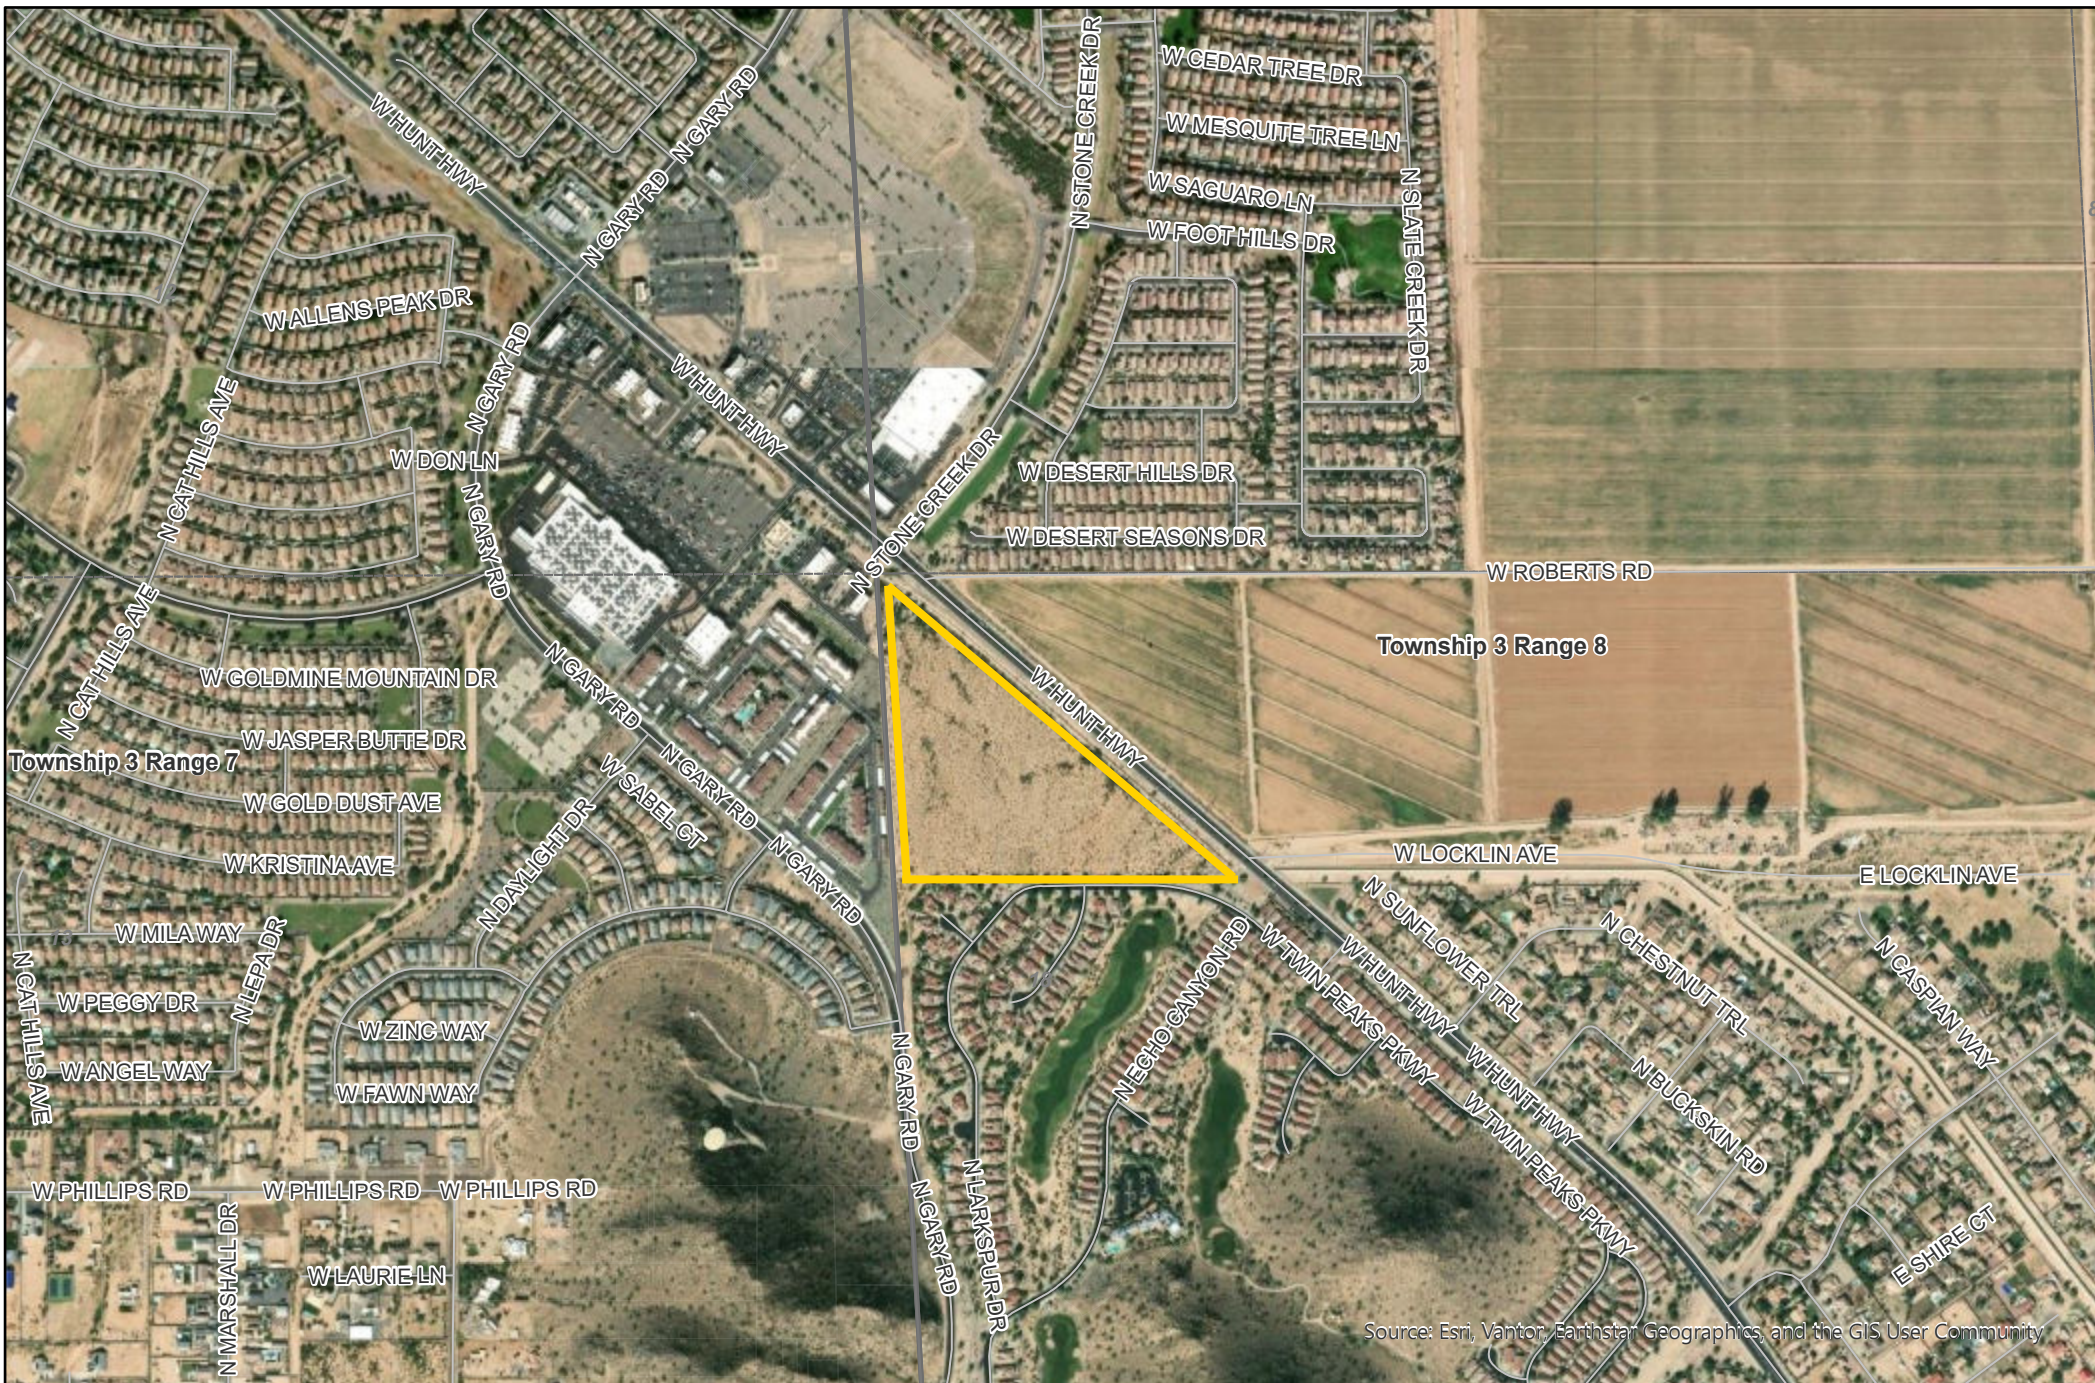

***Thursday, August 13, 2026, at 6:00pm
San Tan Valley Library – Bronze Room
31505 N Schnepf Road, San Tan Valley, AZ 85140***

If you have any questions regarding this proposal or are unable to attend the neighborhood meeting, please contact me at 602-558-9934, bray@raylawaz.com.

Thank you.

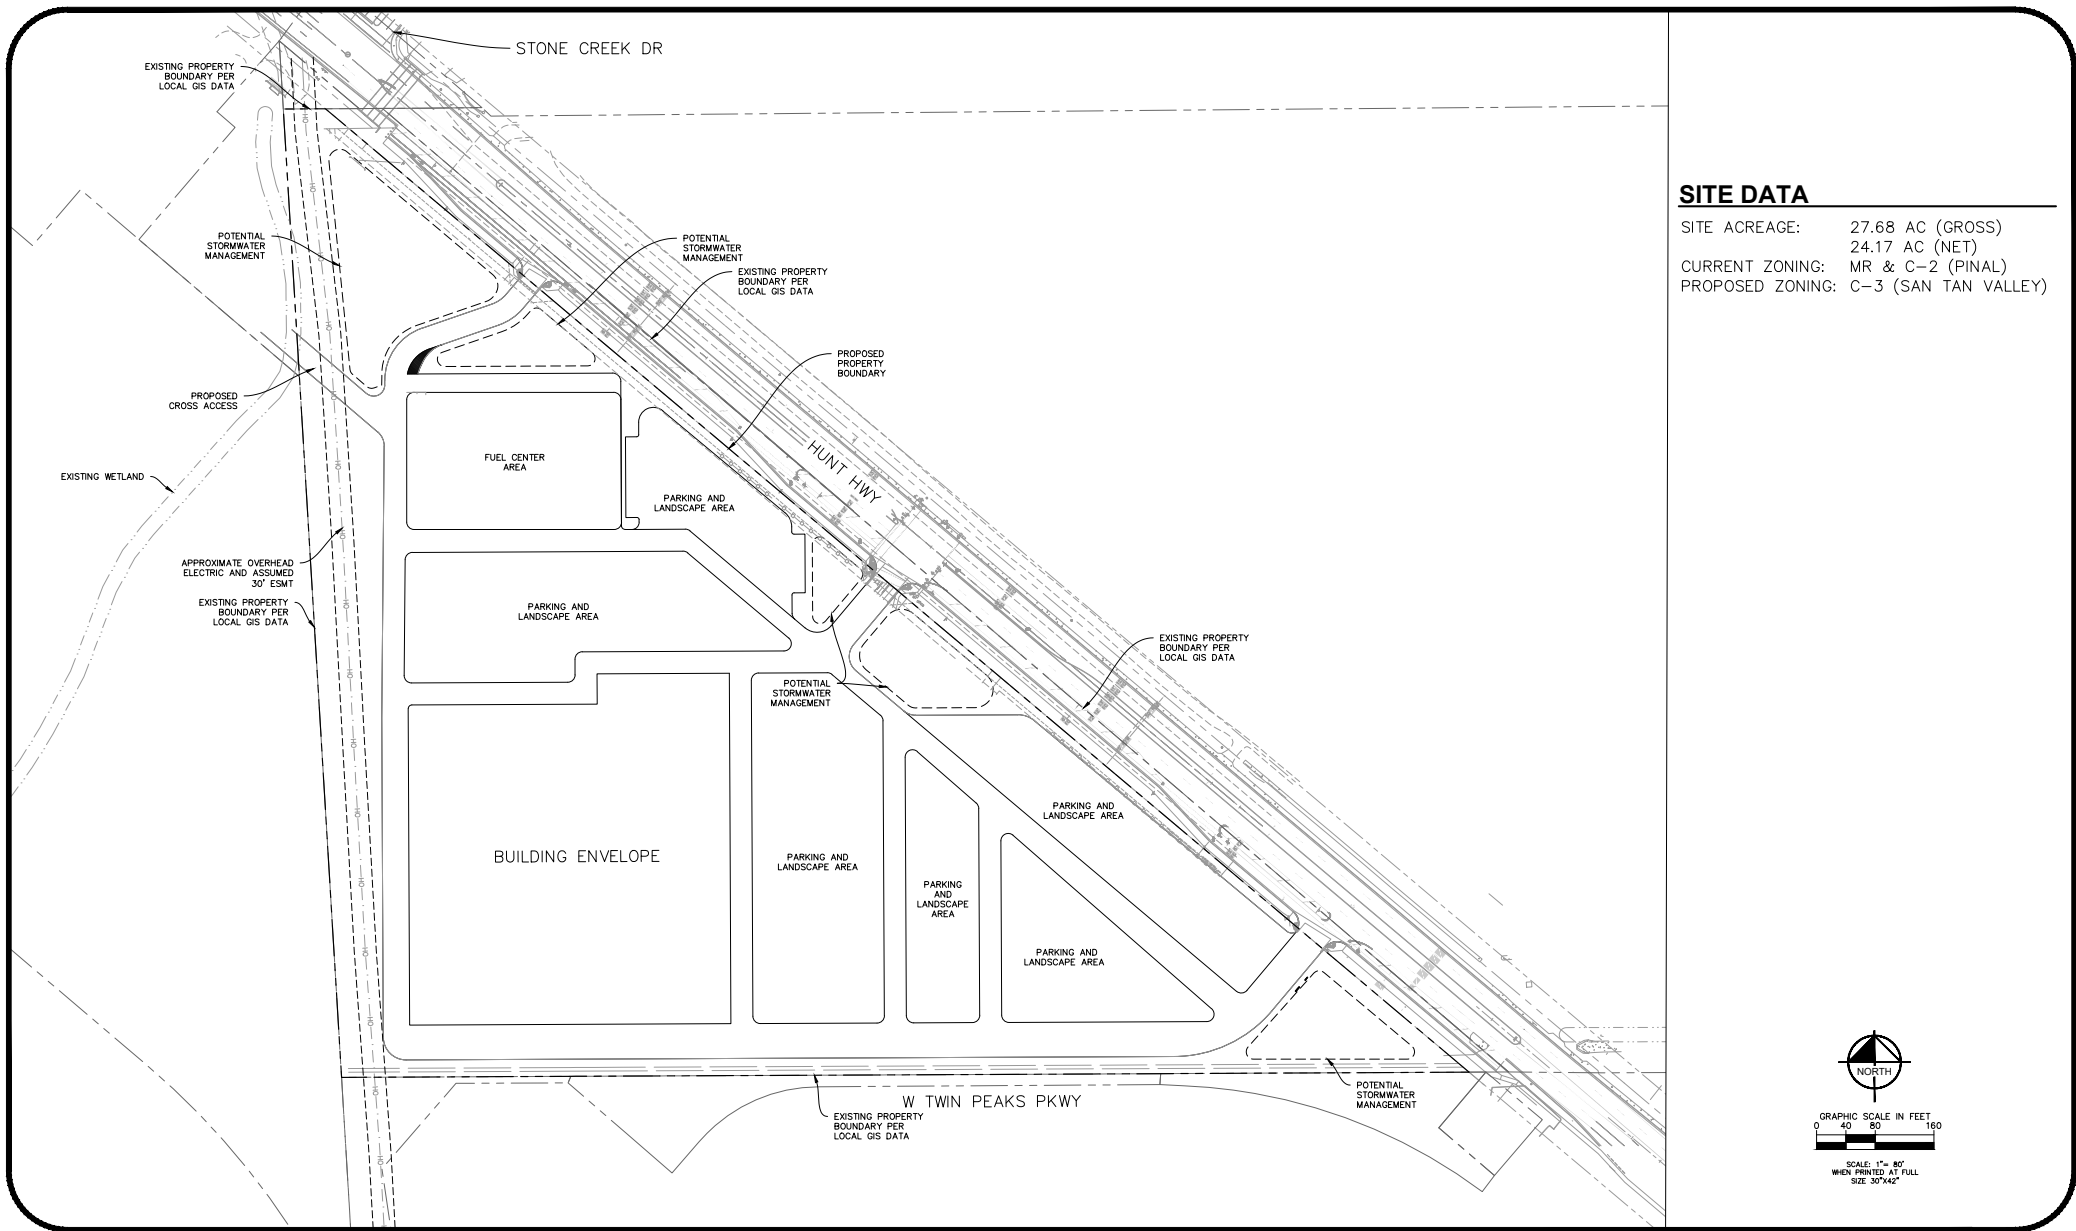

Sincerely,

Brennan Ray

Neighborhood Meeting Report**

August 13, 2026

Neighborhood Meeting

San Tan Valley Library – Bronze Room

Attendees:

Scott Hintze – Diversified Partners

Brennan Ray – Ray Law Firm

Jessi Ray – Ray Law Firm

Laurie Ray – Ray Law Firm

Peyton Basha – Ray Law Firm

Overview

35 members of the community attended the meeting. See *Sign-In Sheet Exhibit A*. Brennan Ray did a brief, informal presentation describing the proposed development, the application process, and timeline. After the presentation, neighbors were given the opportunity to ask questions and give feedback. The topics of questions and comments are noted below in summary.

Questions and Comments

Answers, if required, are directly below each comment or question in *italics*.

1. What specific warehouse retailer is this proposal for?
Did not disclose other than to say a warehouse retailer with fueling center.
2. Is the property large enough for this type of development?
Yes
3. Will there be a sidewalk for 55+ golf carts to access the site?
It's something the developer can consider.
4. Will the street lights stay on all night?
Unsure of the hours but the developer will comply with lighting regulations and dark sky regulations if they exist.
5. Is this developer the same as the last developer?
No, this is a different developer.
6. Is this developer willing to make the same concessions that the previous developer agreed to?
Unsure of what was in that agreement, a citizen liaison said that he would provide the details of the agreement to RLF for review.

7. Will Hunt Highway be expanded?

The Town of San Tan Valley, Pinal County, and ADOT have jurisdictional control over Hunt Highway being a significant roadway in the southeast valley. Those bodies would make any determinations regarding Hunt Highway.

8. What would happen if the zoning was passed and the developer didn't follow through?

The zoning would stay with the parcel.

9. What is the difference between C-2 and C-3 zoning?

They are both commercial zoning, the Town of San Tan Valley has a table of uses for each one on their website. This use would require C-3 zoning.

10. Have you seen any instance where a zoning case was limited to a specific site plan and application – essentially tying this approval to a specific case?

Unsure if that is an option available in the Town of San Tan Valley.

11. Are they doing a traffic study? When?

Unsure of the exact timing but there will be a study that will indicate trip generation for the site.

12. Is the southern driveway for where big trucks will enter/exit?

Unsure on the site plan where everything will be located.

13. Will there be overnight parking?

Unsure what the town's regulations would be on that.

14. Will there be public access on Gary Road?

No.

15. A concern about the noise during quiet times was shared.

16. What specific warehouse retailer is this proposal for?

Did not disclose other than to say a warehouse retailer with fueling center.

17. Questions were raised about the wall and shared property line with Solera.

We will take a close look and make sure we are meeting town standards and set back requirements.

To: C Niebergal cnieber@NIEBERGAL.COM
Cc: Laurie Ray lray@raylawaz.com

Cheryl -

Thank you for the email. We are moving forward with the meeting as notices have already been sent out. We have not filed an application yet and there will be opportunities for you and other neighbors to express their comments as we move through the process if they aren't able to attend the meeting.

Once a formal application is filed, we'll work with San Tan Valley to ensure it meets the Town's standards, include access, traffic, fire, etc. We will eventually get through the Town's processes and have a public hearing before the Planning Commission and then the Town Council, which will allow opportunities for people to attend as well and express their comments. We don't know when those hearings will be as we haven't filed the formal rezoning application.

Thanks.

B. Ray

Subject: Proposed Development Notice Concern

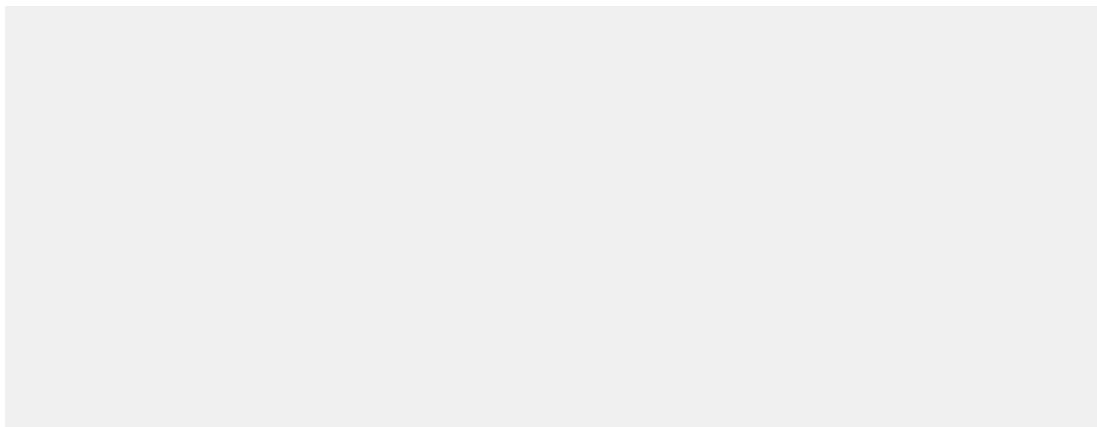

To whom it may concern:

As per the proposed change in the use of the parcel of land located at the front of the Solera Community Center, we believe it would be a just and vital move to reschedule the public hearing until late October/early November, 2026.

The October/November time frame would allow time for most homeowners to return from their summer homes and to fairly participate in the hearing process of this proposal that affects and impacts all Solera residents, not just a few.

We trust that a fair decision will be made on this request due to the close proximity of the proposed site and the Solera Community.

Sincerely,
Cheryl and Dennis Niebergal
Solera resident`

To: Brennan Ray <bray@raylawaz.com>
Subject: Proposed rezoning Hunt Hwy & Stone Creek Drive

In receipt of your notice of the hearing on the above-mentioned rezoning, I would request that this item be postponed until October when the residents of Delano at Lebanon Ranch have all returned from their summer travels to access the summer heat.

residents of Solera at Johnson Ranch have all returned from their summer travels to escape the summer heat.

Also, your current notice of an August meeting was not sent to residents 30 days in advance, which is usually what the law requires.

Reviewing the documents that you sent, I strongly object to the 3 driveways from this proposed site. The traffic on Hunt Highway already cannot handle the traffic in that area. This appears to be a high traffic business that your client is proposing and the current traffic conditions in this area are inadequate.

Please postpone this hearing until October when the residents of Solera at Johnson Ranch that will be affected are back in the area.

Subject: Rezoning of Property at Hunt Highway and stone Creek Drive.

I am a resident of Solera at Johnson Ranch which is adjacent to the property that your letter indicates you propose to rezone from Multi Family Residence to General Commercial Zoning (C3). I have many points of contention with this request. My first contention is that 95% of our residents are snowbirds and will not be able to attend

Contention is that 65% of our residents are snowbirds and will not be able to attend the meeting in August to voice their views on this request because they are not available and most of will not even have received the notice that you sent by the time of the meeting. Due to the above mentioned facts I request that you postpone the meeting until late October or early November at which time we will have a larger number of residents available to attend and give our HOA time to prepare a response that represents our residents fairly. Secondly safety of all residents should be first and foremost Hunt Highway is already overcrowded due to the traffic created by the existence of the Super Walmart, Home Depot and many more smaller stores and the construction of at least 10 more stores under construction at this time, it simply cannot absorb any more traffic our residents already have a difficult time to exit our main gate and the first response vehicles have a very difficult time navigating thru traffic. If this meeting date is not changed, we will have our HOA attend with as many residents that are available. To the best of our knowledge Rural Metro Fire, Pinal County Sheriff's Department and Local police have not been made aware of this request for zoning change, we will contact them and invite them to speak to these issues at the meeting. Please reschedule this meeting in order so the affected parties can attend and have their voices heard.

Respectfully, Dan Meler/Dan Meler Consulting

Hello Dave -

Apologies for the confusion — we have a lot of meetings scheduled over the next couple of weeks. This meeting scheduled for August 13, will go forward as planned.

Thank you,

Laurie Ray

Dave -

Thank you for the email. The meeting next Monday is just the neighborhood meeting. There is no ulterior motive to when we're having the meeting. We have not filed an application yet and there will be opportunities for neighbors to express their comments as we move through the process if they aren't able to attend Monday's meeting.

Monday's meeting isn't a public hearing—it's simply a neighborhood meeting where we (not the Town) are the hosts to present the request and solicit feedback.

Once an application is filed, we'll work with San Tan Valley to ensure it meets the Town's standards, include access, traffic, fire, etc. We will eventually get through the Town's processes and have a public hearing before the Planning Commission and then the Town Council, which will provide opportunities for people to attend as well. We don't know when those hearings will be as we haven't filed the formal rezoning application.

Thanks again.

Subject: Proposal for Development

I am David A Verret, a resident of Solera at Johnson Ranch.

My concerns come in two forms: Usual and Unusual.

Usual: I am concerned about the increased traffic congestion on street (Hunt Hwy) that is already stagnant EB from Gary Rd during the afternoon hours of 5pm - 7pm. With that congestion comes noise and inconvenience to those living nearby. Attempts to control the traffic flow have been useless, as this has only added more traffic signals, not a more efficient flow of traffic.

Unusual: The public hearing is most concerning, if not suspicious. You've scheduled this meeting for a time when Solera's occupancy is down to 30% or less. Are you scheduling this hearing so close (and notice thereof) to AVOID having more voices who may object? It is therefore requested that you postpone this public hearing until late October - Early March to take full advantage of the people most affected by this proposal.

Subject: Proposed Development - Hunt Hwy and Stonecreek Drive

Good Morning Mr. Ray,

I have received a letter advising of the request to rezone the 26.22 acres south of the intersection of Hunt Highway and Stone Creek Dr from Multiple Residence and Community Commercial to General Commercial.

As a resident of Solera in San Tan Valley, I am directly adjacent to this parcel of land. I cannot attend the August 13th meeting so would like to ask a few questions.

Is there a plan in place to address the traffic access onto Hunt Highway from the proposed commercial development? Currently the traffic congestion at the intersection of Hunt Hwy and Gary Road is atrocious. The access from Solera onto both Hunt Hwy and Gary Road is already extremely limited due to the sheer volume of traffic.

If the area directly in front of the Solera frontage along Hunt Highway will be parking lot for the commercial development, is there a plan in place to build a solid privacy wall along this area to protect the homeowner's privacy? Currently there is a metal spindle fence that is open to this area. The crime in the area is increasing due to the increased influx of new residents and having a parking lot alongside the open fence is inviting trouble. Not the mention the invasion of privacy for the residents of Solera and the increased noise and potential garbage.

Also, a block wall would help during proposed construction of a commercial building and parking areas with the amount of construction dust and noise.

I look forward to hearing from you at your earliest convenience regarding these concerns.

Kind regards,
Donna and Kelly Piwarczyk
North Dog Leg Court, Solera

Subject: Proposed Commercial Parcel on Hunt Hwy

Brennan Ray,

As a homeowner in Solera @ Johnson Ranch I am very much against a large warehouse and gas station along Hunt Hwy. I have a lot of concerns:

1. A new stop light would need to be put in. It will be so close to the current exit from Solera along Hunt Hwy that we will have a VERY difficult job of trying to turn left out of the subdivision,
2. The very tall and bright lights will interfere with the "dark skies" that are part of this subdivision. With lights being on all night it will disrupt our right to a peaceful and quiet neighborhood.
3. If you are familiar with the property of the current Costco in Queen Creek and have driven by there you will see that the additional

traffic and the needed stop light will further add to the already congested area between Bella Vista and the light at Walmart/Home Depot. Additional traffic is the last thing we need.

4. The area is much more in tune with apartments or small rental homes.

Thank you for your consideration of our neighborhood.

Good afternoon Mr. Ray,

My husband, Jerry, and I are seasonal residents of Solera at Johnson Ranch and have just reviewed your letter regarding the request to rezone a section of land located south of the intersection of Hunt Highway and Stone Creek Drive in San Tan Valley.

We have concerns about this proposed change and would like to attend the neighbourhood meeting currently scheduled for August 13th, however we, like more than 50% of our community will not be in San Tan Valley at that time.

We are requesting that you reschedule this meeting to late October or preferably early November so that a representative proportion of the Solera Community will be able to attend and participate in open discussions with you and representatives from Diversified Partners LLC.

Thank you for communicating with us regarding this change.

Date: Thursday, August 6, 2026 at 6:59 PM

To: Brennan Ray <bray@raylawaz.com>

Subject: Concerns regarding Proposed Commercial Development at Hunt Highway and Stone Creek Drive

SUBJECT: Formal Request for Postponement to October 2026 & Notice of Objection — Proposed Commercial Development (Hunt Highway & Stone Creek Drive)

TO: Ray Law Firm, Brennan Ray; bray@raylawaz.com

Dear Brennan Ray / Counsel;

I am writing as a resident of San Tan Valley to formally request a continuance and postponement of the public hearing currently scheduled for **August 13, 2026**, regarding the proposed commercial development and fuel facility on the south side of Hunt Highway at Stone Creek Drive. We respectfully ask that this matter be reset for a public hearing in **October 2026**.

I am advocating for proper due process, traffic safety, and neighborhood stability.

Additionally, this email serves as formal notice of community objection regarding the severe infrastructure and emergency response hazards posed by this proposal.

1. Procedural Grounds for Postponement (October 2026)

- **Exclusion of Impacted Seasonal Residents:** A significant portion of San Tan Valley's homeowners and property taxpayers reside out of state or internationally during mid-August. Rushing a land-use decision of this magnitude during the peak of summer absence deprives directly impacted neighbors of their right to review site plans, submit evidence, and participate in public comment.
- **Opportunity for Comprehensive Public Review:** Postponing the hearing until October 2026 ensures that seasonal residents have returned, adjacent residential communities can organize, and a transparent, representative public proceeding can occur.

2. Substantive Objections & Public Safety Concerns

Should this matter move forward, the proposed commercial and fuel retail

should be denied based on the following cumulative impacts:

- **Gridlock and Impaired Emergency Response:** Every school day between 3:00 PM and 4:00 PM, traffic queueing between Stone Creek Drive, Home Depot, and Gary Road exceeds signal timing, leaving vehicles trapped inside the intersections. Adding a high-turn fuel station creates severe bottlenecks that directly obstruct emergency service vehicles—including Rural Metro fire/rescue units and ambulances dispatched to and from nearby medical facilities—where every minute counts.
- **Corridor Crash Hazards:** Hunt Highway is documented as one of Pinal County's most dangerous arterial corridors, with a heavy history of severe broadside, crossover, and high-speed rear-end collisions. Introducing continuous turning movements for fuel and retail at Stone Creek Drive creates additional high-risk conflict points on a highway already struggling with speed variance and high volume.
- **Past Rejections & Cumulative Commercial Strain:** This parcel's inherent physical and safety limitations have led to past development proposals being rejected. Evaluating this site in isolation ignores the massive ongoing commercial expansion along the Hunt Highway and Gary Road corridor (including WinCo, Michaels, Big 5, and multiple drive-thrus). The existing roadway network cannot safely absorb additional high-trip commercial traffic.
- **Heat Island & Resource Demands:** Except for nearby residential pockets, this stretch of Hunt Highway consists almost entirely of contiguous asphalt. Paving remaining open parcels exacerbates localized heat retention, while intensive commercial uses place unnecessary strain on regional groundwater and utility infrastructure as San Tan Valley transitions into municipal governance.

Requested Action

As a Co-Trustee, and in the interest of The Michael Valichnac Trust and the property held within the Trust at 31326 N. Desert Star Street, San Tan Valley, AZ 85143, formally request that the governing body grant a

continuance of the August 13, 2026 hearing to October 2026. Should the applicant proceed, we urge the commission to deny the requested permits or require a multi-project cumulative traffic mitigation plan—including dedicated turn lanes and signal synchronization—prior to any site preparation.

Respectfully submitted,

Laurie Valichnac, Co-Trustee, The Michael Valichnac Trust

Hello Linda -

Thank you for your email. The Town of San Tan Valley requires us to notice properties within or touching a 1200' buffer surrounding the parcel. Looking at the Pinal assessor map I see that your address is approximately 6500' from the closest corner of the parcel, which is why you did not receive a notice.

I hope that helps.

Thank you,

We have not filed an application yet and there will be opportunities for the neighbors to express their comments as we move through the process if they aren't able to attend the meeting.

From a processing standpoint, once a formal application is filed, we'll work with San Tan Valley to ensure it meets the Town's standards, include access, traffic, fire, etc. We will eventually get through the Town's processes and have a public hearing before the Planning Commission and then the Town Council, which will allow opportunities for people to attend as well and express their comments. We don't know when those hearings will be as we haven't filed the formal rezoning application.

Happy to jump on a call if we need to.

Thanks again.

B. Ray

Re: Proposed Rezone — Hunt Highway and Stone Creek Drive (Diversified Partners, LLC); Request to Postpone August 13, 2026 Neighborhood Meeting

Dear Mr. Ray:

This firm represents the Solera at Johnson Ranch Community Association (the “Association”), the community immediately adjacent to the parcel that is the subject of your July 29, 2026 notice. We write on the Association’s behalf regarding the proposed rezone of the approximately 26-acre site south of the intersection of Hunt Highway and Stone Creek Drive from Multiple Residence (MR) and Community Commercial (C-2) to General Commercial (C-3), and the neighborhood meeting your notice sets for Thursday, August 13, 2026. We appreciate Diversified Partners’ outreach to the surrounding community and write in a spirit of cooperation, requesting that the meeting be rescheduled.

The notice period is too short for meaningful participation. Your notice is dated July 29, 2026. It sets the neighborhood meeting for August 13, 2026 — leaving residents only a matter of days to receive the notice, review the vicinity map and conceptual site plan, understand what a change to C-3 zoning would permit, and organize a considered response. A rezone that would introduce a warehouse retail store and an ancillary fueling station directly adjacent to an established residential community is a significant matter for our members. The Association and its homeowners need a reasonable opportunity to study the proposal, consult with one another, and formulate substantive, informed feedback rather than reacting on short notice.

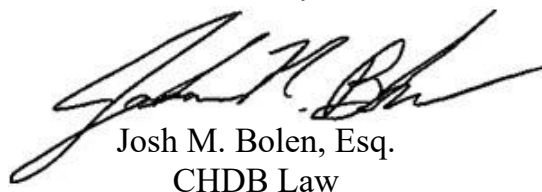

The mid-August timing excludes a large share of affected homeowners. A substantial number of the Association's homeowners are away from the community during the summer months and will not return until the fall. As scheduled, the August 13 meeting would proceed without a meaningful opportunity for those residents to review the materials or participate in the discussion — precisely the residents whose homes and quality of life would be most affected by the proposed change of use. Proceeding now would deprive a significant portion of the neighborhood of any real voice in the process.

For these reasons, we respectfully request that Diversified Partners postpone the neighborhood meeting until October 2026, when a far greater percentage of the Association's homeowners will have returned and can meaningfully review the proposal and participate in the discussion. A short postponement would allow for the kind of full, informed community engagement that benefits the applicant and the neighborhood alike, and we believe it would result in a more productive meeting for all involved.

We would welcome the opportunity to discuss this request, an alternative date, or any other accommodations that would allow for broader resident participation. We look forward to working with you and your client on a schedule that gives the community a fair opportunity to be heard. Please get in touch with me to arrange a time to discuss.

We appreciate your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Josh M. Bolen". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Vicki -

Thank you for the email. We are moving forward with the meeting as notices have already been sent out. We have not filed an application yet and there will be opportunities for you and other neighbors to express their comments as we move through the process if they aren't able to attend the meeting.

We complied with the Town of San Tan Valley's noticing requirements.

Once a formal application is filed, we'll work with San Tan Valley to ensure it meets the Town's standards, include access, traffic, fire, etc.

We will eventually get through the Town's processes and have a public hearing before the Planning Commission and then the Town Council, which will allow opportunities for people to attend as well and express their comments. We don't know when those hearings will be as we haven't filed the formal rezoning application.

Thanks again.

To: Brennan Ray <bray@raylawaz.com>
Subject: Proposed Development - Hunt Hwy and Stone Creek Drive

Dear Brennan Ray,

I respectfully request that the neighborhood meeting scheduled for 13 August 2026 be postponed until later this year when residents of Solera at Johnson Ranch have returned for the Fall

at 6:00pm. Please have returned for the plan.

Providing less than 30 days notice regarding this important proposed land use change is unacceptable, and delaying the meeting will ensure that the community has a proper opportunity to attend and participate.

Thank you for your consideration.

Regards,

Vicki Esparo
